

Premium Mobile Stand

Key Features

- Premium Mobile Stand
- Flexible movement
- Caster wheels for easy mobility
- Lockable Features
- Heavy Load Bearing
- Storage Tray
- Stainless Steel
- Fast and Easy Installation

Designed to provide a high level of convenience mounting IFP on it. Detachable shelf to hold the Interactive Stylus Pens and accessories.

Easy moving 360-degree wheels with break provides fully lockable once the display is in the desired position. Easy to install, solid structure and good looking, flexible movement for IFP, put the IFP wherever you want! Rolling utility IFP cart assembly does not require holes to be drilled in the wall.

Supports sizes from 55" to 86" with a maximum supported weight of 100Kgs. The Adjustable display bracket is VESA compatible for sizes from 200 x 200 to 600 x 800 hole combinations

Specifications
